

Remarks

This application is a National Stage Application of International Application Number PCT/EP2005/000604. By this amendment, the specification has been amended to include a cross-reference to a related application section. Also, new page 61, the Abstract, is attached.

Claims 1-37 were pending in the subject international application. By this Amendment, the applicant has canceled claims 1-37 and has added new claims 38-74. The amendments to the claims have been done in an effort to conform the claims filed in the international application to U.S. practice and to reduce filing fees by deleting multiple dependency claims. No new matter has been added by these amendments. Accordingly, claims 38-74 are pending in the subject application.

The Commissioner is hereby authorized to charge any fees under 37 CFR §§§1.16, 1.17, or 1.492 as required by this paper to Deposit Account No. 19-0065.
